

Advertisement for the post of:

1. Manager – Programme Production & Utilization Research

2. Manager – Earth Station & Studio Operations

Government of Andhra Pradesh has launched an ambition Satellite Communications Network using Ku-band transponder of INSAT-3B. The Satellite Communications Network is being used for Distance Education, HRD, Telemedicine, Agriculture Extension and e-Governance.

The Project is operational since March 2001 and the APNET infrastructure is a fusion of the latest technologies to include TDM/TDMA Data Network, Video DVB/MPEG-2 Broadcasting, IP over DVB, Video Conferencing & Telemedicine. The Earth Station and the state of the art studio are located at Dr. BRAOU Campus, Hyderabad. Presently, 5 channels are being broadcast under 'Mana TV'. A society for managing APNET (SAPNET) was formed in 2003 for day to day operations.

SAPNET now invites applications from qualified and experienced candidates for the following posts on contract basis for a period of 3 years.

1. Manager – Programme Production & Utilization Research

- Graduate with 5 years experience in TV Production / Utilization Research.
- Good communications skills.
- Commensurate with qualification and experience.

2. Manager – Earth Station & Studio Operations

- Engineering graduates with 5 years experience in Operations & Maintenance of TV Studios / Earth Station.
- Good communications skills.
- Commensurate with qualification and experience.

The applications complete in all respects to be sent to the following addresses so as to reach on or before 16/2/2008.
